

To the FCC:

I am concerned about Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. This is one-sided propaganda and is not news, nor is it appropriate for the public airwaves, which we all own.

Sinclair is obligated by law to serve the public interest. But when large companies control the airwaves, we get less of what we need for our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

Thank you for your attention to my views.
